Dear Friend -

We are contacting you because your business has an excellent reputation and is well known in the community.

Our organization is a non-profit, self-supporting recreational softball league dedicated to teaching girls the sport of softball and the value of teamwork, all while having fun. The league is based on pure volunteerism, from the board who oversees the league, down to our hard working coaches who teach the girls as young as age 4 to those about to graduate high school how to play a competitive team sport.

In making preparations to begin our 2011 season, we are reaching out to area businesses to ask for their help in supporting our organization. This season, we are proudly offering two ways that your business can play an active part in the league. Both options help defray a portion of our costs for the year while sending a positive message to the girls that their community businesses believe in them and encourage their participation. After all, that is what teamwork is all about.

If you would like to be part of our "team", please fill out the enclosed form and mail it back to us no later than April 30, 2011. Please remember that our league is a tax-exempt, non-profit, 501(c)(3) organization with Federal ID #34-1441576 and that any support that you provide to us may be tax deductible.

If you need further information or would like a board member to discuss anything in person, please don't hesitate to contact any of us as follows:

We hope you will decide to join us, show your community spirit, and be a part of a worthwhile endeavor.

Sincerely,

Eastlake Girls Softball
